SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential Planned Development Number 898

Plan Of Development Statements.

1. The area delineated herein as a residential planned development consists of approximately thirty-two thousand sixteen (32,016) square feet (zero and seventy-three hundredths (0.73) acres) and is owned or controlled by the applicant, Reza Toulabi.
2. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys, or easements, or adjustments of right-of-way, or consolidation or resubdivision of parcels, shall require

a separate submittal on behalf of the applicant or its successors, assignees or grantees and approval by the City Council.

3. The requirements, obligations and conditions contained within this planned development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal title holder and any ground lessors. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's successors and assigns and if different than the applicant, then to the owners of record title to all of the property and any ground lessors. Furthermore, pursuant to the requirements of Section 11.1 1-1 of the Chicago Zoning Ordinance, the property, at the time any applications for amendments, modifications or changes (administrative, legislative or otherwise) to this planned development are made shall be under single ownership or under single designated control. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this planned development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by all the owners of the property and any ground lessors. An agreement among property owners, the board of directors or any property owners association, or a covenant binding property owners, may designate the authorized party for any future amendment, modification or change.
4. This plan of development consists of these fourteen (14) statements; a Bulk Regulations and Data Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Property Line and Boundary Map; a First Floor Plan, an 11th Floor Plan and Building Elevations (north, south, east and west) dated December 11, 2003 prepared by Greene & Proppe Design, Inc.. The planned development is applicable to the area delineated hereto and these and no other zoning controls shall apply.
5. The following uses shall be permitted within the area delineated herein as "Residential Planned Development": multi-family dwelling units in elevator buildings, accessory and non-accessory parking and related uses.
6. Identification signs shall be permitted within the planned development subject to the review and approval of the Department of Planning and Development. Temporary signs, such as construction and marketing signs shall be permitted, subject to the review and approval of the Department of Planning and Development.

7. Ingress and egress shall be subject to the review and approval of the Department of Transportation and the Department of Planning and Development. All work proposed in the public way must be designed and constructed in accordance with the Chicago Department of Transportation Construction Standard for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Closure of all or part of any public streets or alleys during demolition or construction shall be subject to the review and approval of the Chicago Department of Transportation.
8. In addition to the maximum height of the building and any appurtenance thereto prescribed in this planned development, the height of any improvement shall also be subject to height limitations approved by the Federal Aviation Administration.
9. For purposes of floor area ratio ("F.A.R.") calculations, the definitions in the Chicago Zoning Ordinance shall apply.
10. The improvements on the property shall be designed, installed and maintained in substantial conformance with the First Floor Plan, 1st Floor Plan and Building Elevations and in accordance with the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines.
11. The terms, conditions and exhibits of this planned development ordinance may be modified administratively by the Commissioner of the Department of Planning and Development upon the application for such a modification by the applicant and after a determination by the Commissioner of the Department of Planning and Development that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in this planned development and the purposes underlying the provisions hereof. Any such modification of the requirements of this statement by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the planned development as contemplated by Section 11. 11-3(c) of the Chicago Zoning Ordinance.
12. The applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of natural resources. The applicant shall use

best and reasonable efforts to design, construct and maintain all buildings located within this planned development in a manner generally consistent with the Leadership in Energy and Environmental Design ("L.E.E.D.") Green Building Rating System.

13. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the property. Plans for all buildings and improvements on the property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("M.O.P.D.") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No approvals shall be granted pursuant to Section 11.11-3(b) of the Chicago Zoning Ordinance until the Director of M.O.P.D. has approved detailed construction drawings for each building or improvement.
14. Unless substantial construction of the improvements contemplated within this planned development has commenced within six (6) years following adoption of this planned development, and unless completion is thereafter diligently pursued, then this planned development shall expire and the zoning of the property shall automatically revert to the pre-existing B4-3 Restricted Service District.
